Chetan,

There are no facilities within Hamilton County, Tennessee, that are subject to either 40 CFR Part 60, Subpart OOOO (NSPS for Crude Oil and Natural Gas Facilities for which Construction, Modification, or Reconstruction Commenced after August 23, 2011, and on or before September 18, 2015), or 40 CFR Part 60, Subpart OOOOa (NSPS for Crude Oil and Natural Gas Facilities for which Construction, Modification, or Reconstruction Commenced after September 18, 2015).

Chattanooga Gas Company (ID #0498) was last modified in 2002.

East Tennessee Natural Gas, LLC, (ID #5340) was also last modified in 2002.

Regards,
Alan

Good morning Alan.

I don't recall getting a response on this matter from you. You may have called me, I just don't recall. I don't have an email response from you.

Let me know if you have any sources subject to NSPS subpart OOOOa or not.

Thanks.

Sincerely,
